CLUSTER APPLICATION REVIEW SCHEDULE

Applications for professional development clusters will be reviewed in accordance with the following schedule, provided the applications are complete upon receipt. All applications must be submitted electronically to cmichels@doe.k12.de.us no later than ten (10) days before a scheduled meeting in order to be considered for review. Incomplete applications will not be considered and will be returned to the proposal developer. Review and recommendation by the Professional Development and Associated Compensation Committee constitutes the initial approval of the cluster. Cluster activities should be planned with sufficient lead time to allow for subsequent action by the Professional Standards Board, the State Board of Education and the Delaware Office of Management and Budget before beginning any activities associated with a cluster. Please note the OMB appropriation would be considered the last step in the approval process.
