

SkillsUSA is an organization open to all students who are currently enrolled in a training program in Skilled and Technical Sciences Education Pathways. SkillsUSA is a co-curricular program designed to be an integral part of the classroom instruction. SkillsUSA activities are designed to enhance the development of students' technical, leadership, and related-academic skills. SkillsUSA emphasizes high ethical standards, superior work skills, life-long education, and pride in the dignity of work.

To learn more about the national SkillsUSA organization, check out their website www.skillsusa.org.
