

Self-Reflection: Activity 3A

- 1. Specific to problem solving and data analysis, what skills/ expertise does your training/ position bring?**

- 2. What skills/ expertise do you think will be required for effective problem solving and data analysis?**

- 3. What role do we play currently? How do we envision our role in how RTI will be implemented in our district?**

- 4. How will we be involved in maintaining integrity/ fidelity to quality instruction?**
