Notes:

1. Starting in 2008-09, any offense resulting in an “**In-school Suspension**” (Codes 08 or 08A) is a mandatory report to DOE, similar to out-of-school suspension.
2. “**Scheduled Duration**” cannot be less than one full day for the following actions: In-School Suspension, Out-of-School Suspension and Expulsion.
3. For “**Removal from Class**” (Code #24), the duration is the length of that class period.
4. For “**Timeout**” (Code #25), Scheduled Duration has to be less than one day.

Definitions for Disciplinary Actions

CDAP = Consortia Discipline Alternative Program (E.g. SCOPE, PEAK, Kingswood, Parkway, Because We Care)

Suspension, In-School = Disciplinary action resulting in the student being removed from regular classroom for at least one (1) day, and assigned to an in-school suspension program by school administration/Student's Intervention Team. This is a short-term placement (10 days or less).

Suspension, In-School, School Intervention Program = Disciplinary action resulting in the student being removed from the regular classroom, **for at least 10 days but no more than the total number of student days in a school year**, and assigned to an in-school suspension School Intervention Program by school administration/Student's Intervention Team. The program design should continue with the students' regular curriculum, include character education, conflict resolution skills, and behavior modification strategies. This is a long term suspension (more than 10 days).

Suspension, Out-of-School with CDAP Placement = Disciplinary action resulting in the student being removed from regular classroom, banned from school grounds for a specified length of time, and assigned to CDAP by District Alternative Placement Team.

Suspension, Out-of-School with Services = Disciplinary action resulting in the student being removed from regular classroom for at least one (1) day, banned from school grounds for a specified length of time, and continues to receive educational services (excludes CDAP). Decision by school administration/Student's Intervention Team.

Suspension, Out-of-School without Services = Disciplinary action resulting in the student being removed from regular classroom for at least one (1) day, banned from school grounds for a specified length of time, and does not receive educational services. Decision by school administration/Student's Intervention Team.

Expulsion, with CDAP Placement = Disciplinary action resulting in the student being removed from regular classroom and expelled from regular school setting **not to exceed the total number of student days in a school year**, assigned to CDAP by District Alternative Placement Team and approved by Local Board of Education.

Expulsion, with Services = Disciplinary action resulting in the student being removed from regular classroom and expelled from the regular school setting, **not to exceed the total number of student days in a school year**, with arrangements for the provision of educational services by District Alternative Placement Team and approved by Local Board of Education (excludes CDAP).

Expulsion, without Services = Disciplinary action resulting in the student being removed from regular classroom and expelled from the regular school setting, **not to exceed the total number of student days in a school year**, with total cessation of educational services by District Alternative Placement Team and approved by Local Board of Education.
