* Starting in 2008-09, a new code, 12A “Off School Grounds School Function”, has been added to identify those locations off school property, as defined by T-14 §4112(8) & (9), where reporting school crimes (“C”) and DOE (“D”) offenses is required. As seen in the Discipline Kickers, all offenses that occurred off school grounds that are not school related (code #12) are only reportable as “S” offenses.
