Library Leadership Advisory Council

Mission

The LLAC is an advisory body consisting of representatives from each district in Delaware Public Schools, Charter representation and Higher Education. Our Mission is to:

- Provide leadership for fellow LMS to enable professional growth and support.
- Develop guidance for the integration of library programs which promote student academic achievement through informed collaborative decision making.
- Advocate for exemplary library media programming.

Vision

Empower our Delaware students to locate, evaluate, and use information, recognizing that these information literacy skills, along with reading enjoyment, are key to achievement and lifelong learning.
