

School Library Media Specialists In The Know Taking Positive Action Toward School Improvement

Action Plan

Identify the school's literacy Improvement goal/priority that YOU will impact: <i>(where is the school headed?)</i>	What is the identified Improvement Strategy for the goal: <i>(the changes in educational practice and student learning experiences that will help the targeted students learn and achieve what is described in the goal – often stated as differentiation, tiered supports, block schedule, etc.):</i>	<u>Activities</u> <i>What will YOU specifically do to implement the strategy and meet goals?</i>	<u>Milestones/ benchmarks</u> <i>What will be used to track activity implementation and when will you check?</i>	<u>Resources</u> <i>To implement the activity well, what do YOU need?</i>	<u>*Evidence*</u> <i>What evidence best reflects attainment of these goals/ the impact on students? *See Introduction vii to We Boost Achievement Evidence-Based Practice for School Library Media Specialists by David V. Loertscher with Ross J. Todd</i>
