

Listening and Spoken Language Family Workshop Series

Statewide Programs invites you to partake in this **FREE** 3 part workshop series that is geared for those families with deaf/hard of hearing children ages birth to 7, who are using listening and spoken language. Each workshop will have two parts:

- 1) lecture/training time and
- 2) time to “practice” with your child while being supported by a staff from Statewide Programs.

BRING your children with you.

Daycare and a light snack will be provided.

Activities and information shared will be gathered from Advanced Bionics, Cochlear Americas, Med-El and Dave Sindrey's, “The Listening Room.”

***When:**

January 13th—Overview of workshop series, visual attention and speech hierarchy.

March 10th— Focus on “P” and “B” sounds

May 5th— Focus on “T” and “D” sounds

***Where:** DPH Child Development Watch, 18 N. Walnut St., Milford DE

***Time:** 6:00– 7:30 pm

Contact us one week prior to the workshop if you need a Spanish Interpreter.
