

Providing healthy meals, fighting hunger

The Delaware Department of Education Nutrition Programs administer several programs that provide healthy food to children

- ◆ National School Lunch Program
- ◆ School Breakfast Program
- ◆ Child and Adult Care Food Program
- ◆ Summer Food Service Program
- ◆ Fresh Fruit and Vegetable Program
- ◆ Special Milk Program

Each of these programs help fight hunger and obesity by reimbursing organizations such as schools, child care centers, and after-school programs for providing healthy meals to children.

CACFP Child & Adult Care Food Program

The CACFP provides aid for the provision of nutritious foods that contribute to the wellness, healthy growth, and development of young children, and the health and wellness of older adults, including chronically impaired disabled persons.

CACFP helps provide meals to:

- At-risk Afterschool Care Centers
- Adult Day Care Centers
- Child Care Centers
- Day Care Homes
- Emergency Shelters

In Delaware, as of October 2016, over 910,000 CACFP meals and snacks were served in child care centers, adult day care centers, and in day care homes.

Please contact us for more details on how the CACFP can make a difference in the quality of your program!

School Nutrition Programs (SNP)

The School Nutrition Program (SNP) provides healthy and nutritious meals served to Delaware's children enrolled in public or nonprofit private schools, residential child care institutions, and independent schools. It provides nutritionally balanced, low-cost or free meals to children each school day. The SNP is comprised of five sub-programs:

- National School Lunch Program
- School Breakfast Program
- Special Milk Program
- After School Snack Program
- Fresh Fruit and Vegetable Program (FFVP)

Interested schools, please contact us for more information on how to participate!

Summer Food Service Program (SFSP)

Did you know there are free activities and meals available in your community for your children and teens this summer?

The Summer Food Service Program (SFSP) provides FREE meals and snacks to all children, 18 years old and under, at approved SFSP sites in areas with significant concentrations of low-income children during the summer.

Our goal is to ensure that children who normally receive free or reduced priced lunch during the school year can gain access to nutritious meals during the during summer months.

No cost or enrollment required. Open to all children 18 and under.
