

How to Find School Feeder Patterns –

Step 1:

Go to DDOE Map using the following link: <https://www.doe.k12.de.us/domain/153>

Step 2:

Click 2019-2020 and 2020-2021 School Locator (BETA) or (Legacy) link (both options are described below):

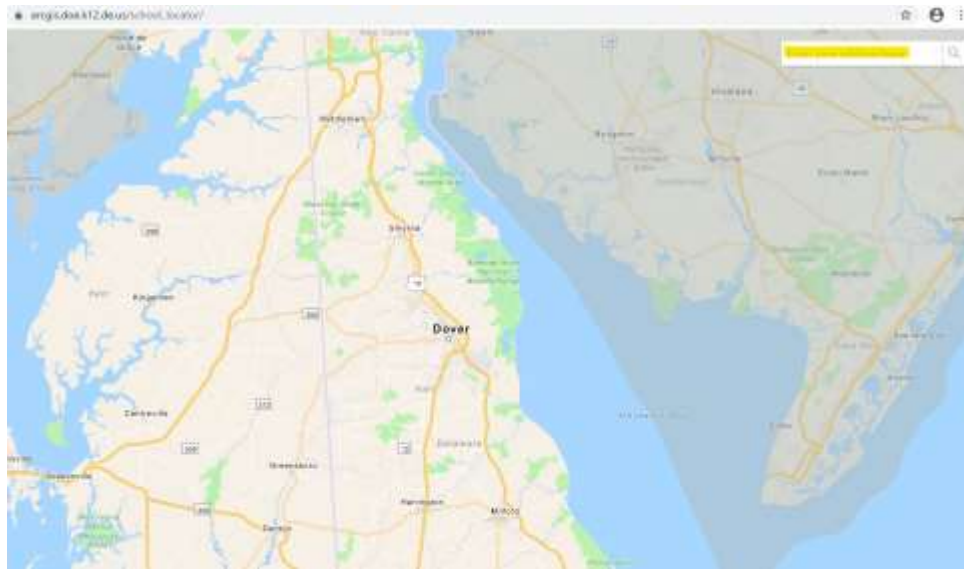

The screenshot shows the DDOE GIS website interface. At the top, there is a navigation menu with tabs for 'DOE Main', 'Schools', 'Instruction and Assessment', 'Supports', 'Educators', 'Accountability and Performance', and 'DIAA'. Below this is a secondary menu with 'Report Card', 'Delaware Public Schools', 'Charter Schools', 'Homeschools and Private Schools', 'School Choice', and 'Groves Adult High School'. The main content area is titled 'Maps' and includes a sub-header 'Find your school or District'. The text explains that the new School Locator application is available and encourages user feedback. Two buttons are prominently displayed and circled in red: '2019-2020 and 2020-2021 School Locator (BETA)' and '2019-2020 and 2020-2021 School Locator (Legacy)'. A 'DDOEGIS' logo is also visible on the right side of the page.

Step 3:

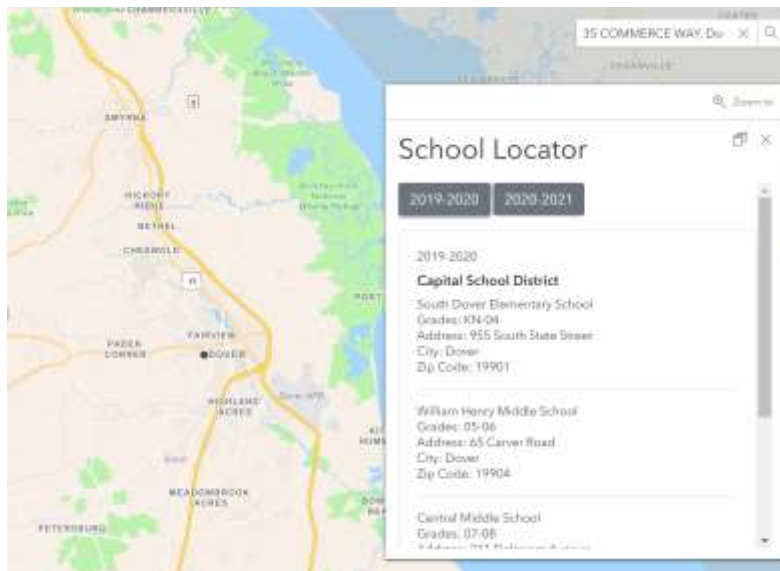

BETA option –

Click on 2019-2020 and 2020-2021 School Locator (BETA) link.

Map opens up and then enter address in top right bar as seen highlighted here -

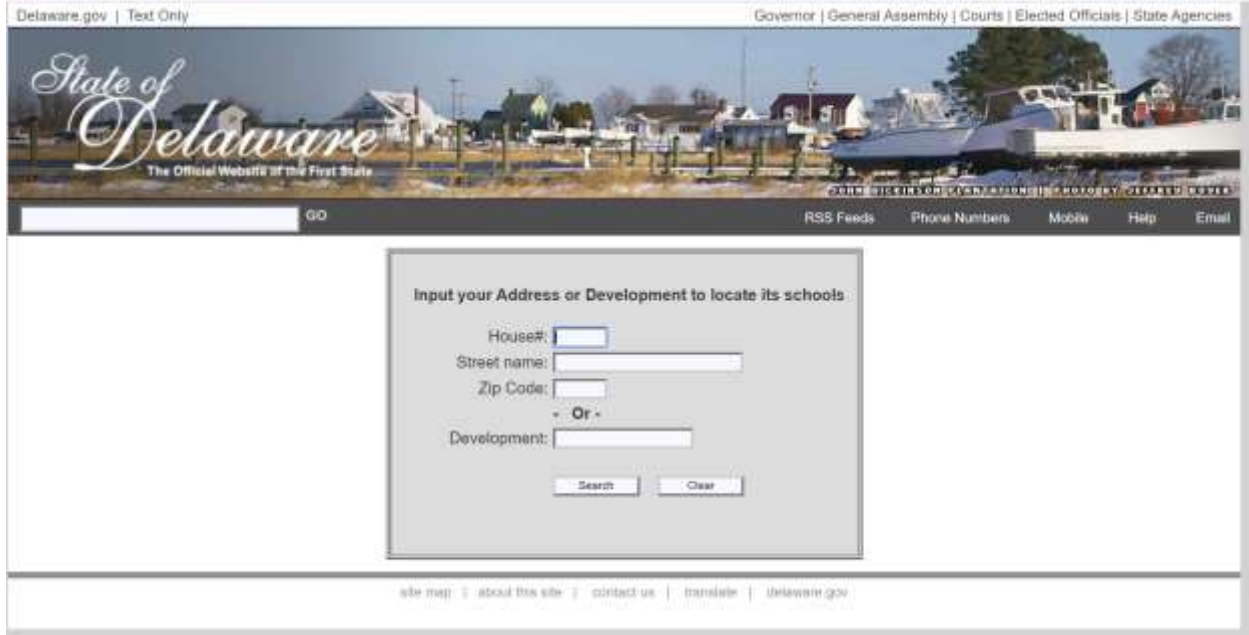

Using the Collette Building's address, 35 Commerce Way, Dover, the following map and feeder pattern populates, choose 2019-2020, or current school year to find schools in feeder pattern for purposes of area eligibility –

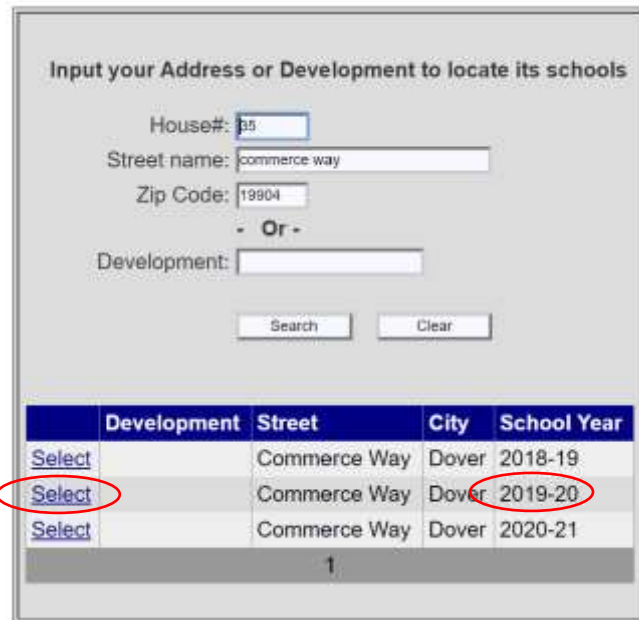

Legacy option -

Click on 2019-2020 and 2020-2021 School Locator (Legacy) link.

Address box opens up; enter the address of the site on this screen -

On the next screen, you can choose the school year you want to view the feeder pattern for; choose the current school year for the feeder pattern and click "select" -

The feeder pattern populates for the address:
