

CHARTER SCHOOL ACCOUNTABILITY COMMITTEE

DELAWARE DEPARTMENT OF EDUCATION

MOT Charter School

**FINAL APPLICATION
FINAL REPORT**

CSAC Final Meeting: November 10, 2015
CSAC Final Report Published: November 13, 2015

By September 30, 2014, MOT Charter School submitted an application to renew its charter. Consideration of this application is in accordance with the applicable provisions of 14 *Del. C.* § 514A and 14 DE Admin. Code § 275. Written renewal application guidance is provided by the Delaware Department of Education (DDOE) on its website. The renewal application template developed by DDOE is aligned to measures and targets within the Performance Framework, which outlines the academic, organizational and fiscal standards by which all Delaware charter schools are evaluated. The evaluation of the school's performance as measured by the Framework is a major component of the decision on the renewal application. The decision on the renewal application is based on a comprehensive review, guided, in part, by the following three questions:

1. Is the academic program a success?
2. Is the school financially viable?
3. Is the school organizationally sound?

This report serves as a summary of the strengths, areas of follow-up, and/or concerns identified by members of the Charter School Accountability Committee (CSAC) during their individual reviews of the charter applicant's renewal application, Performance Review Reports, Annual Reports and Performance Agreements and during the CSAC meetings.

Discussion

Mr. Blowman noted for the record that, at the Initial CSAC Meeting on October 13, 2015, the Charter School Accountability Committee (CSAC) indicated that there were no sections of the renewal application that did not meet standard.

Mr. Blowman noted that the CSAC had not requested any additional information to inform its decision-making.

Mr. Blowman noted that the school's 2014-15 Organizational Framework Report and 2014-15 Financial Framework Report had been added to the record. Both reports received an overall rating of "Meets Standard."

Mr. Blowman asked the CSAC members to indicate whether there were any questions, comments or feedback related to the supplemental information that the school submitted. There were none.

Conclusion

Mr. Blowman asked the CSAC whether there were any areas of the application that warranted a "Does Not Meet Standard" rating based upon a review of the application, supplemental materials, and discussions at the CSAC meetings. Each member of the CSAC responded that there were no sections of the application that warranted a "Does Not Meet Standard" rating.

Mr. Blowman requested a motion to recommend renewal of the charter of MOT Charter School. The motion was made to approve the recommendation and was carried unanimously.

Mr. Blowman reminded the applicant that the CSAC's recommendation was just that; a recommendation to the Secretary of Education on the renewal application.
