

Charter School Application - Budget Worksheets

Instructions

All details of your budget should be contained in your budget narrative.

The narrative response explaining how you arrived at all of the budget figures should accompany the budget pages listed as tabs at the bottom of this document. Also attach any detail you received from outside sources such as quotes, invoices from other schools, budgets from other schools, amortization schedules etc. Print all three tabs as well as your detailed explanation and submit them with your application.

***** If you have any problems with this spreadsheet and the calculations please contact Brook Hughes at 302-735-4050.**

There are three budget tabs in this workbook.

Year 0 for new charters is the planning year with no students.

First: Click on the State and Local Funds tab and follow these directions

- LINE 1 Enter the amount of the State Funds that were calculated from the Charter School Web Site Revenue Estimates located at <http://www.doe.k12.de.us/infosuites/schools/charterschools/files/103013RevenueEstimates.xls>
If your estimates did not come from this spreadsheet you must provide an explanation with details on how you arrived at your estimate.
- LINE 2 Same as LINE 1. This number should come from the same spreadsheet. If it does not, explain how you arrived at the number in detail.
- LINE 3 For years 1 through 4, this field will automatically populate based on the prior year's ending balance.
- LINE 4-13 Enter the amount of salaries for the year. Be sure to include an explanation of how you arrived at this number.
Is it an average salary or some other method of calculation? Are you using a pay scale? Please include your salary calculation process description in detail.
These salaries should agree with your staff listing in the body of the application. Be sure to compare to surrounding charters and districts to see if they are competitive.
- LINE 14 Automatically calculated
- LINE 15 Enter amount for all Health Insurance costs and describe in detail how you calculated that number. Show the sources you used to get this value.
State Health Plans and rates can be found at: <http://ben.omb.delaware.gov/medical/documents/fy15-published-rates.pdf?ver=0329>
- LINE 16 Include any other benefits costs you plan to provide to your staff that is above and beyond any of the above benefits.
- LINE 17-55 **Include the costs associated with each of the following lines. Please provide extensive details on how you arrived at these numbers. Did you estimate a cost per student? Did you get quotes from vendors? The more concrete the detail the better. Guessing at an average is far less concrete and shows less attention to detail and commitment than actually getting quotes from vendors or getting estimates from others with experience in these areas. The more back up you have to support this number the more confidence the approvers have in your commitment to this process. You should have detail for every line on the budget.**
- LINE 56 Enter the number of student enrollment projected for each year. This should match any enrollment numbers included in the body of the application

Next: Click on the Federal Funds tab and follow these directions

- LINE 1 Enter the amount of Federal Funds you expect to receive. Be sure to clearly explain your estimates in your budget narrative.
- LINE 2 Enter any other Federal Grants amounts applied for and received.
- LINE 3-12 Enter the amount of salaries for the year. Be sure to include an explanation of how you arrived at this number.
Is it an average salary or some other method of calculation? Are you using a pay scale? Please include your salary calculation process description in detail.
These salaries should agree with your staff listing in the body of the application. Be sure to compare to surrounding charters and districts to see if they are competitive.
