

# The Delaware Met: Mission

The Delaware MET ignites the passions of high school students through the discovery and development of their unique interests. We empower students to develop self-confidence and create their own success through a personalized learning environment and purposeful internships of their choice.

With the support of advisors and community partners, students graduate as confident and capable young adults, prepared to make their mark on the world!

With the Support of Advisors & Community partners Students graduate as confident & Capable young Adults, prepare to make their mark on the world

It shows that people are willing to invest their time in us, and our futures.

KF DILLIY

✓

Development of their Unique  
interest.

Support of advisors and  
community partners.

# Self Confidence

Self Confidence is important because without it it's going to be hard to make it through an interview.
