Charter School: Family Foundations Academy

Comment: I currently have two children attending FFA and one child that has graduated from the School. My one son Jalin who is a Junior at William Penn High School enrolled in all AP and Honor classes attributes a lot of his success to his time from being at FFA.

My children are enrolled at a school that believes in providing them with a great education, thus the Superior Rating for the school as well as the staff/teachers at the school. I can personally attest as a parent that brings my children to the school on a daily basis, how the interaction with Dr. Brewington has effected them. Dr. Brewington is at the school interacting with the staff and the children on a daily basis. All of the kids at the school are known as "Her Babies", she looks out for them and their best interest. Although questionable things have been brought to light lately, please do NOT discredit the sincerity that Dr. Brewington has displayed for this school and the effort and work that she has put into her role as a leader at this school.

I support Family Foundations Academy. As a concerned parent of Three African American Males in the troubled State of Delaware I am pleading that you renew this schools charter so that our kids can continue to receive education in a structured, caring, and familiar environment!

Charter School: Family Foundations Academy

Comment: Dear Secretary Murphy,

Please consider renewing the charter for Family Foundations Academy.

This nonsense about reinstating Dr. Brewington is absurd. She isn't the only certified school leader able to lead FFA. Mrs. Connor is also a verified principal and school leader according to your DOE website. She is qualified to lead FFA.

You can't reinstate either Brewington or Moore. They both stole from the school. They should both be in jail. How can these supporters continue to write emails daily about reinstating a thief??? You all must be out of your minds! Being a founder of a school does not give someone the right to use a state credit card for personal use. This goes for BOTH directors. Like I said, they are both wrong and neither should come back.

The board certainly didn't watch over the schools expenses either. They should be under review as well.

I saw in the letter where Mrs. Connor was the school leader and that Mr. Casper was being considered for a board position. This tells me that the school is looking to make necessary changes in order for it to survive the renewal process.

Why not make Casper and others new board members and allow new ideas to lead FFA into the future. Perhaps get members that don't belong to any fraternity or a sorority.

Dr. B did a nice job, but she stole money. Plain and simple.

Mr. Moore, well, I don't know what he did, but he also stole money. Plain and simple.

The leaders in place are doing an excellent job and the prospective board members seem to have a lot on the ball.

My grandchildren have attended FFA for several years. I like the fact that they are cared for by the staff. I see the dedication of the teachers. I could name several, Ms. Johnson, Ms Hess, Mrs Kohl, Mr Heinz, Mr. Alston, Ms. Ryan, Ms Landry, Ms. Hayman, Ms Stambaugh, Mrs. Pulliam, Señora Brown, Ms. Aizaga, Ms. Chaney, Ms. Harper, Ms. Williams, Mrs. Moody, Mr. Hicks, Mr. Casper, Mr. Powell, Mrs. Powell, Mr. Leoni, Ms. Miller, Mr. Morrell, Mrs. Novosel, Ms. Nurse, Ms. Pusey, Mr. Harrison, Mr. Sabia, Ms. Vasko, Ms. Woods, and so many more. I could go on and on.

Give these kids a chance to continue to be supported and encouraged by these dedicated professionals. Please don't make my daughter pull her kids out of this school. Renew the charter and you can kick the thieves to the curb.

A very concerned citizen, taxpayer and grandfather.
