Delaware Science Coalition Memorandum of Agreement

The **MOT Charter School** agrees to abide by the Delaware Science Coalition's bylaws and join the Delaware Science Coalition partnership. The Delaware Science Coalition program is sustained by local district/charter school fees in combination with state allocations. Professional development; materials acquisitions; distribution, collection and refurbishment of science curricular units; and any other associated costs are supported by these funding sources. The Coalition's bylaws and fee schedule for school year 2014-2015 are attached to this Memorandum of Agreement.
