Dear Mr. Glancy,

I am pleased to inform you that your application to modify the enrollment phase-in of MOT Charter School's grade expansion has been approved. This modification falls within the range of a minor modification, as defined by 14 DE Admin. Code 9.8.1.3 which states,

An increase or decrease in the school's total authorized enrollment of more than 5%, but not more than 15%, provided further the minor modification request must be filed between November 1st and December 31st and, if approved, shall be effective the following school year;

We look forward to the continued success of students attending MOT Charter School. If you should have any questions or concerns, please contact the Charter School Office at (302) 735-4020.
