The following are the minutes and open items from the meeting.

- Donna Urban reported that no Prestige scholars were selected to CSW. Students were out of district and are on a waiting list.
  - Donna did offer to speak to 7th and 8th parents in September on Choice and how to apply.
- Donna also reported that there is a grant for a summer camp at Cab Calloway. Transportation is included. More information will be coming to Prestige.
- Dana review the SMI and SRI data to show student growth. This data would be used to demonstrate evidence of student growth.
- Dana reported at this time Prestige is prepared for the Smarter Balanced (SBAC) testing which will occur for all grades.
  - We did discuss an incentive program to energized the students for SBAC such as a rally effort for "being present".
  - Note: Students still need to take the DCAS in Science and Social Studies
- Dana also reported that there will be a Lego League next year.
- Pat Grant (Amplify) shared the Interim Assessment (IA) data for testing 1-3. We agreed that this data is for teacher review.

Open Items:

- *Dana* will send the curriculum requests/needs to the Finance Committee for building into the 2015-2016 budget.
- *Dana and Pat* will sort the SMI and SRI data for special education and regular education students so that we can see growth in both populations.
- *Donna* will follow up on the costs associated with Schoology (classroom instructional management system) and Data Service Center, iTracker, for student data analysis and forward information to Dana.

Next meeting: June 24, 2015

Agenda:

- SBAC experience
- Impact from Power Hour on student preparation for SBAC
- Other benefits/concerns for the July Board Review
