Mr. Nash Childs
Board President
The Delaware Met
920 N. French Street
Wilmington, DE 19801

Dear Mr. Childs:

I am pleased to inform you that the modification request submitted by The Delaware Met to amend components of its educator evaluation process has been approved. This modification falls within the range for a "minor modification", as defined by 14 DE Admin. Code 275.9.9.1. The opportunity to submit alternative educator evaluation systems was detailed in the Delaware Department of Education's Educator Evaluation Waiver Application, posted in spring 2013 by the Teacher & Leader Effectiveness Unit.

The "Educator Evaluation Waiver Application" process allows for the creation and implementation of locally-developed educator evaluation models. The intent of this process, as overseen by the Teacher & Leader Effectiveness Unit, is to provide the opportunity for innovation in creating alternate educator evaluation systems. It presents the opportunity to utilize best practices in educator evaluation from around the state and country, with applicants having the opportunity to tailor models to local needs while simultaneously promoting student achievement and educator accountability.

If you should have any questions or concerns about this minor modification approval please contact John Carwell, Jr. at (302) 735-4020.

Sincerely,
