The Delaware Met School Admissions Policy and Procedures

Applications for Admission

The **Delaware Met** will advertise the **open application period** from December through January (specific dates to be published annually) of the year preceding enrollment. All applications received after the deadline, but postmarked by the deadline, will be considered received by the deadline. If oversubscribed at the end of the open application period, the **Delaware Met** will publicize and hold a lottery in public, applying preferences as stated in school’s charter and in accordance with state law. Applications received after the open application period will be placed at the end of the waiting list after the lottery has been concluded. If not oversubscribed, the **Delaware Met** will conditionally admit all students who apply within the open application period, and will add additional students as applications are received in the order in which they are received.

All applications received during the open application period shall be accepted for the lottery. Following the closing date for applications, a lottery will be conducted only if there are more applications received than ‘seats available’ for the affected grade levels.

Three groups of students will be afforded preference for admissions to the **Delaware Met**. As previously noted, ‘seats available’ or ‘open positions’ for enrollment will be determined by grade level openings and the approved maximum enrollment established in the school’s charter.

When there are more applicants for grade level enrollment than ‘seats available,’ admissions preferences shall be applied in the following sequence:

1. Children with siblings concurrently enrolled at the **Delaware Met**
2. Children of the school’s founders
3. Children of staff members employed by the **Delaware Met** for at least 30.0 hours per week during the school year
4. Children residing within a 5-Mile radius

Children with Siblings Concurrently Enrolled

Siblings of students enrolled at the **Delaware Met** shall have preferential enrollment placement for ‘open positions.’

The **Delaware Met** shall recognize these relationships as valid under the sibling preference:

1. Any individual having the same parent or parents, either natural or adoptive.
2. Any individual who is a step-sibling and shares a common custody or legal residency arrangement, and who has a natural or adoptive parent at the same residence.

Children of the School’s Founders

Children, adopted children, and stepchildren shall receive preferential enrollment placement for ‘open positions.’ Further definition of the school’s founders follows in Section (n).

Children of Staff Members

Children, adopted children, and stepchildren of employees of the school (employed by the **Delaware Met** at least 30.0 hours per week) shall receive preferential enrollment placement for ‘open positions.’

5-Mile Radius

Children residing within a 5-mile radius of the school location shall receive preferential enrollment placement for ‘open positions.’
