Dear Charter School Accountability Committee:

I would like to thank the Charter School Accountability Committee (CSAC) for meeting with representatives from Las Américas ASPIRA Academy on October 13, 2014. This letter is to acknowledge receipt of the CSAC Initial Report on October 22, 2014. Per your request, we provided our detailed revenue sheets via email on October 14, 2014, which was noted as a requested item in the conclusion of the initial report. Aside from the request of these additional financial reports, we did not have any other outstanding action items.

We appreciate your thorough evaluation of our charter renewal application. Feel free to contact me if you require any additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Margie López Waite".
