Delaware Science Coalition Memorandum of Agreement

The Family Foundations Academy agrees to abide by the Delaware Science Coalition's bylaws and join the Delaware Science Coalition partnership. The Delaware Science Coalition program is sustained by local district/charter school fees in combination with state allocations. Professional development; materials acquisitions; distribution, collection and refurbishment of science curricular units; and any other associated costs are supported by these funding sources. The Coalition's bylaws and fee schedule for school year 2014-2015 are attached to this Memorandum of Agreement.
