

## **Delaware 21st CCLC List of Prescreened External Organizations**

In accordance with the Every Student Succeeds Act (ESSA) Title IV Part B 21st Century Community Learning Centers (21st CCLC), the Delaware Department of Education (DDOE) is required to provide a list of prescreened external organizations that have knowledge and expertise necessary to assist with implementing activities of 21<sup>st</sup> CCLC programs.

The term "external organization" is defined as "a nonprofit organization with a record of success in running or working with before and afterschool (or summer recess) programs and activities; or in the case of a community where there is no such organization, a nonprofit organization in the community that enters into a written agreement or partnership with an organization with a record of success to receive mentoring and guidance in running or working with before and afterschool (or summer recess) programs and activities." (ESSA, Section 4201(b)(4))

In response, nonprofit organizations in Delaware may submit a "Delaware 21st CCLC Nonprofit External Organization Profile Form" (or "Profile Form"). To meet the requirements for the minimum record of success, any organization submitting a "Profile Form" must:

- Operate as a nonprofit in good standing in Delaware, currently not on the suspension or debarment list for the Federal government (<https://www.sam.gov>); and
- Have a minimum of five years of experience operating or delivering services to out-of-school-time programs in Delaware.

DDOE will maintain the "Delaware 21st CCLC List of Prescreened External Organizations" for those organizations that meet the criteria outlined above and have completed all sections of the "Profile Form."
