(CTE)	Exploration in STEM Course.	Biosciences Pathway, Environmental Sciences Pathway)	Biosciences Pathway, Environmental Sciences Pathway)	Biosciences Pathway, Environmental Sciences Pathway)
-------	-----------------------------	--	--	--

*All students will be enrolled in at least one integrated subject each school year.

*DE STEM Academy's 4 year plan is aligned to meet and exceed all graduation requirements for a State of Delaware Diploma

**All students will participate in advisory as part of the instructional day. Social, academic and career/college planning are incorporated within the advisory period to maximize whole student growth and support individual student success plans.

***Career Pathway Programs will be phased in starting in Year 2. All students in Year 1 will enroll in the Exploration of STEM course that blends all pathways as an exploratory program.
