Hello my name is Leilani Donovan. I drove all the way down for the meeting to voice my concerns. However when I arrived the doors were locked and a Mrs Joanne Davis was coming out. I explained why I was there and she said there wasn't a meeting. I showed her the flier and she said to try the federal building but there wasn't a meeting in this building.

I am a parent with many concerns that I felt needed to come to light to the DOE. If you look up my name with the school you will see many issue.

Please let me know if the meeting was rescheduled or in another building.

Thank you
