Public Comment: This is horrible news and absolutely absurd !! How and why would the school even be considered to close in the middle of a school year. Are things gotten that bad to warrant a closure and put our children and teachers out of work and school.
No regard for anyone at this point...

Public Comment: I think would be successful if they get everything together. Once they get everything fit i bet it will successful. They need to get the bad kids that dont wanna be here out .
