Dover, DE 19901

Dear Mr. Travers and CSAC Members:

We extend our appreciation to the Charter School Accountability Committee for meeting with us on October 25, 2018 and providing to us the Initial CSAC Report. We are excited for what the next five years will bring for our students and school. In response to the Initial CSAC Report, we have completed the following information request.

Organizational Performance

- A list of the school's completed fire drills

To complete this request, we have provided an updated POCS Charter School Renewal Application Appendix #8 – ERIP Reporting. We have also provided the original Fire Drill Internal Documentation Forms to the CSAC member who requested the information directly.

Again, thank you for the opportunity to meet with you and discuss the renewal of our charter. The Positive Outcomes Charter School Board of Directors, faculty, staff and students believe that we have worked diligently to meet academic, organizational and financial framework expectations.

Sincerely,

Edward J. Emmett Jr.  
Executive Director
