Subject: Public Hearing on Odyssey Charter School June 11 – Letter from parent/teacher/student
Date: Saturday, June 15, 2019 9:28:16 AM

Good morning,

My name is Maria Paraponiari. Please find below my letter.

Thank you!

As a new Greek language teacher there were many times that I experienced AXEPA'S dedication and support to Odyssey Charter School. First, i cannot ignore the fact that I was hired by an AXEPAn who acknowledged my passion on teaching and my creativity which was implemented later in my job. The last two years AXEPA gave us all many opportunities to thrive and succeed. One of these great oppourtunities was the participation of greek choir in many events such as the Plillies game which helped students be more confident and gain many performing skills. Members of AXEPA played a major role since they organised many events and supported families even financially to participate in such activities.

Also, thanks to AXEPA the greek department had the opportunity to collaborate with many academics and teachers from all over the world who gave us many opportunities to progress as teachers and as a result to get better in our job.

For all there reasons I believe that AXEPA is a very important element of Odyssey which help us all to work better and without their help the Greek department is not going to be the same.

We are a big family this is the message I receive every day from out school and this is how I want us to continue.
