Serving Children in K – 7th Grade since 2014

November 9th, 2017

Dear CSAC Committee,

Thank you for allowing us the opportunity to share with you the exciting things we have accomplished in our first four years of operation. We are excited for what the next five years will bring and appreciate the opportunity to renew our charter. In response to the Renewal Application Initial Report, we have completed the following request.

- The school should provide the update MOU for the Social Studies Coalition.

In addition to the attached MOU, FSMA is in the process of selecting a teacher who will represent FSMA in these meetings and attend them regularly. We appreciate the reminder to participate in the Social Studies Coalition and look forward to developing our strategies and tools from membership in this group.

Again, thank you for the opportunity to renew our charter – our students, families and staff are grateful of this process as it allows FSMA to continue the strong work we are doing on behalf of children in Delaware every day.

With Gratitude,

Courtney Fox

Head of School
