RE: Sussex Montessori School

First State Montessori Academy, Inc. is pleased and delighted to lend our support and advisement to Sussex Montessori School. It is exciting to know that families in Sussex County will have the opportunity to experience the Montessori Method of Learning.

FSMA has worked hard to establish a positive presence in New Castle County and is now ready to help the Sussex Project go forward. We are aware of what it will take to make the Sussex school as successful as FSMA and are absolutely open to sharing our knowledge, supporting the board and staff and looking forward to working together wherever we can.

We sincerely hope the Sussex Montessori School's application will be accepted.

Respectfully,

Yvonne Nass
