

Attachment 7 – Parent Support Survey Data

The table which follows includes data from surveys obtained at events in Sussex County and through our Social Media campaign. Two surveys were used to collect this data; one developed prior to October 2017 when DDOE issued the 2018 charter application with specific data to be collected and the other developed in response to the specific requests. Both surveys are attached to the end of this document and the most current survey is available in Spanish and English at this link <https://montessoriworksde.org/>. Combining both surveys demonstrates a significant interest in Sussex Montessori School (363 children) in a campaign that reflects approximately 4 months of effort both through attendance at events and social networking. Sussex Montessori will continue to collect and add evidence of parent support during the application review process. Sussex Montessori School has eliminated from these tables all personal information. We have submitted a separate notebook with copies of the survey forms for verification.

SUSSEX MONTESSORI SCHOOL

Sussex Montessori School busca promover el desarrollo de ciudadanos globales y comunitarios que sean empáticos, colaboradores, persistentes e innovadores de acuerdo con la filosofía comprobada de Maria Montessori. La visión de la Escuela Sussex Montessori es utilizar el Método Montessori para educar a los niños a través de experiencias de aprendizaje personalizadas y auténticas, relaciones respetuosas, oportunidades para innovar y un enfoque en la ciudadanía global. Creemos que la creación de una escuela pública Montessori en el condado de Sussex, DE, mejorará el aprendizaje de los estudiantes, permitirá una mayor elección para los padres y servirá de modelo para enfoques educativos alternativos al proporcionar un entorno de enseñanza y aprendizaje comprobado e innovador. Sussex Montessori School inscribirá a aproximadamente 260 niños entre las edades de 5 y 8 (grados K a 3) en su primer año y crecerá constantemente para atender a 455 estudiantes entre las edades de 5 y 12 (grados K a 6) en su quinto año.

Actualmente, estamos recolectando encuestas para medir el apoyo para una nueva escuela en nuestra área. Puede que compartamos esta información con el Departamento de Educación de Delaware como parte de nuestra solicitud para una nueva escuela. **Por favor, déjenos saber si está interesado en enviar a su hijo a esta escuela completando el siguiente formulario.** Al proporcionarnos sus datos de contacto, podremos mantenerlo informado sobre el progreso de la campaña.

SUSSEX MONTESSORI SCHOOL

Sussex Montessori School seeks to nurture the development of empathetic, collaborative, persistent and innovative global and community citizens in accordance with the time-tested philosophy of Maria Montessori. The vision of the Sussex Montessori School is to use the Montessori Method to educate children through authentic personalized learning experiences, respectful relationships, opportunities to innovate, and a focus on global citizenship. We believe that the creation of a Montessori public school in Sussex County, DE will improve student learning, allow for greater choice for parents, and serve as a model for alternative approaches to education by providing a proven and innovative teaching and learning environment. Sussex Montessori School will enroll approximately 260 children between the ages of 5 and 8 (Grades K through 3) in its first year and steadily grow to serve 455 students between the ages of 5 and 12 (Grades K through 6) by its fifth year.

We are currently collecting surveys to measure support for a new school in our area. We may share this information with the Delaware Department of Education as part of our application for a new school. Please register your interest in sending your child to this school by completing the form below. Providing your contact details will allow us to keep you informed on the progress of the campaign.

Creating Communities of Learners

Please use this space to ask questions, provide feedback or share your Montessori story.

A large, stylized gear graphic in the background, composed of a light yellow outline and a white center. Overlaid on the gear are several horizontal purple lines, providing a space for the respondent to write their questions, feedback, or Montessori story.
