Dear Ms. Stouffer and the Charter School Accountability Committee:

The Sussex Montessori School Founding Board appreciates the time and effort given by the members of the CSAC committee to review our application for Sussex Montessori School. We appreciate the collective wisdom of the committee and have given thoughtful consideration to the questions that resulted from your initial review. As you know, opening a school is an enormous responsibility; one which the Sussex Montessori School Founding Board takes seriously. We view this process as one which will strengthen our opportunity to open an exceptional school for the children of Sussex County.

What follows are responses to each of the questions posed by CSAC. In addition, there are a series of attachments that were requested.

Sincerely,

Linda S. Zankowsky, Ed.D.
