**Subject:** Academia Antonia Alonso Major Modification Application Public Comment

**Charter School:** Academia Antonia Alonso

**Name:** Joseph Smith

**E-Mail Address:** joesmithentllc@gmail.com

**Public Comment:** Moving Academia to Barley Mill makes perfect sense.

Not only is it safer, but the location is better suited to the schools learning philosophy and will allow the children more learning time.

Plus, my son will now be able to have recess in a REAL playground surrounded by grass in addition to extra-curricular activities, such as soccer, boy scouts, basketball, etc...

Couldn't be happier and I am NO LONGER contemplating removing him from the school.
