Mr. Paul Miller
Chairman, Board of Directors
Delaware Design-Lab High School
179 Stanton Christiana Road
Newark, DE 19702

Dear Mr. Miller,

I am pleased to inform you that the minor charter modification application submitted by Delaware Design-Lab High School ("DDLHS") to bring the school's charter into alignment with the way the school is currently operated has been approved. My decision was based on the Charter School Accountability Committee's unanimous recommendation for approval. Accordingly, the following summarizes the modifications to the charter:

- Updates to the organizational structure of the school;
- Alignment of language in reference to the school name for consistency throughout the charter;
- Clarification and explanation regarding the school's governance and management structures and the school's historical relationship with Design Lab Schools LLC.

If you should have any questions or concerns about this minor charter modification approval, please contact Denise Stouffer at (302) 735-4020.

Sincerely,
