George Chambers, Board President
Odyssey Charter School
Barley Mill Plaza, Building 22
4319 Lancaster Pike
Wilmington, DE 19805

Dear Mr. Chambers:

Thank you for submitting a minor modification for review by the Department of Education.

According to 14 DE Admin. Code 735.9.3.3, "The Secretary may refer a minor modification request to the Accountability Committee for review if the Secretary determines, in her/his sole discretion, that such review would be helpful in her/his consideration of the application. If the Secretary refers a minor modification application to the Accountability Committee, she/he may decide the application based on any report from the Committee and the supporting documents related to the application. The applicant for a minor modification shall be notified if the minor modification request has been forwarded to the Accountability Committee. The applicant may be asked to provide additional supporting documentation."

Upon initial review of the application, I have decided to refer Odyssey's minor modification request to the Charter School Accountability Committee (CSAC) for review because such review would be helpful to my consideration of that application.

Jennifer Nagourney from the Charter School Office will be in contact with you shortly to discuss the timeline for the review process. Please contact her with any questions.

Sincerely,

A handwritten signature in black ink that reads "Steven H. Godowsky".

Steven H. Godowsky
Secretary of Education
