Subject: Delaware Design-Lab High School Major Modification Application Public Comment

Charter School: Delaware Design-Lab High School

Name: Stacey Chambers

E-Mail Address: Stacey.Chambers@design-lab.k12.de.us

Public Comment: As the School Counselor of Design-Lab High School, I am privileged to be a part of the administration team, for a school creating innovators for the future. The small class sizes will continue to ensure success and provide more individual student attention. It will also allow our students to thrive in preparation of academic, emotional and social success, preparing them for college and the paths of success of the 21st century.
