Educator Preparation Program Renewal Status Framework

Did the program generate a program report?  

Was the program created less than 3 years ago?  

Was the program deactivated?  

Did the program generate at least 3 domain tier ratings?  

Did the program earn an Overall Tier 1 or Tier 2 rating?  

Did the program earn an Overall Tier 3 rating?  

Was the program on probation last cycle?  

Is this the first year the program was rated Overall Tier 3?  

Has the program earned an Overall Tier 3 rating more than three times?  

Did the program earn less than 40% of the possible points?  

Did the program earn between 40-54% of the possible points?  

Did the program earn more than 55% of the possible points?  

**These thresholds mirror those set for programs generating full reports to provide consistency despite the fact the program may have a limited number of graduates working in Delaware.

*Programs that generate zero domains will be classified as Program Under Further Review. More information can be found in the Educator Preparation Program Guide regarding this status.*
