

Instructions for the Copy Forward Feature

1. After the allocations for the Perkins grant are loaded, the users must move the application to LEA Draft Started to see the links that copy the previous year details into the new application.

Current Application Status: **LEA Draft Started**

Change Status To: **LEA Draft Completed**

Core Indicators of Performance

Delaware Technical Community College (900401) Non-LEA - FY 2022 - CTE Post-Secol

Save And Go To

Copy Previous Fiscal Year Details

Core indicators of performance for CTE students are defined in the Delaware State Plan for Technical Education for the 21st Century Act (Perkins V) must establish annual targets (one-

2. Fields that are copied from the previous year into a blank field will have a green border. (If you have already entered data and the Copy Forward overwrites that data the field will have a red border.) Data is editable in any field that has a white background.
3. You must click on Keep Changes to keep the data.
4. **For the Core Indicators of Performance page**, The proposed annual targets for 2021-2022 and 2023-2024 can be edited. The data for Prior Performance Actual and State Target are not editable.

Keep Changes Revert Changes

Red Border - Overwriting existing data with a value from prior year
Green Border - Copying value from prior year (no existing data)
No Border - Item doesn't allow for copy or no prior year data to copy

Local Plan

'900401) Non-LEA - FY 2022 - CTE Post-Secondary - Rev 0 - CTE Post-Secondary Application Details

This is the TEST site. Please be sure to complete your work on the LIVE site.

Priority 1: Quality Improvement

Instructions: Responses to questions one (1) and two (2) should define the overarching vision for the local system of CTE and those strengths and opportunities that exist to achieve the stated vision. The vision statement should be clear and connect to quantitative and qualitative data captured in the local needs assessment.

>> * 1. What is the overarching vision for the local system of CTE?

Rich text editor toolbar with options for bold, italic, underline, text color, background color, font size, and font face (Arial, Tahoma...).

The vision of Delaware Technical Community College is to serve CTE students in Delaware by providing innovative, flexible instructional practices, high-impact engagement strategies, and holistic services to ensure equity and support success of the State and well-being of Delawareans through programs that respond to increasingly rigorous and evolving industry requirements and workforce needs; and serve as an educational leader in creating and facilitating innov

5. For other pages with the copy forward feature, all details that are copied forward are editable.
