 - Resident Advisor for Autism and for the Deaf/Hard of Hearing Permit
no renewal – never expires

Renewal Reminders

When a license or permit is within six (6) months of expiration, the Educator will be alerted within the DEEDS system in two places: the **Educator Dashboard** and the **View My Applications** page. The reminders and associated screen shots are described in this section.

On the **Educator Dashboard**, there is a new red **Renew My <License/Permit>** button (where <License/Permit> is replaced with the name of the license or permit that needs to be renewed) on the right-hand side of the page. In the example below, the Advanced License needs to be renewed and therefore a red **Renew My Advanced License** button appears:

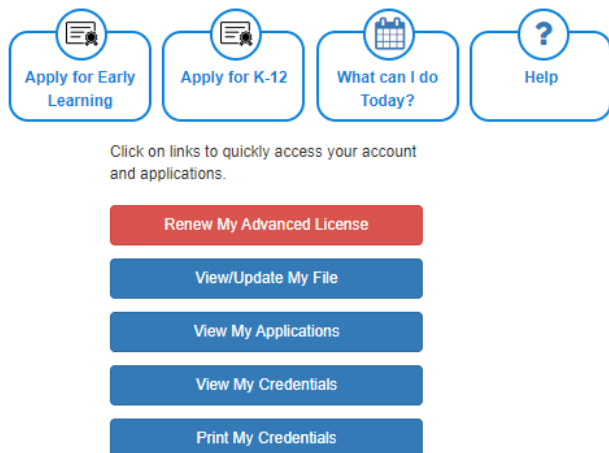

Figure RNW-REM-01: Renewal Button Reminder – Educator Dashboard

Click the **View My Applications** button.

User is directed to **View My Applications** page. The same red button that was shown on the Educator Dashboard is shown in the upper right-hand corner of the page under the menu options.

DEEDS 3.0 Access

To access DEEDS 3.0, you must have an EdAccess account.

If you are new to Early Learning, new to K-12 or non-state employee or unemployed K-12, then you will need to [Register an EdAccess Account](#).

If you already have an EdAccess Account, [Login to EdAccess Account](#)

Via the EdAccess dashboard, click the DEEDS 3.0 icon.

User is directed to **Educator Dashboard**.

Renewal Application

When it is time to renew a credential, a red button will appear on the right-hand side of the **Educator Dashboard** and at the top of the **View My Applications** page. The button text will be **Renew My <License/Permit>** button, where <License/Permit> is replaced with the name of the license or permit that needs to be renewed. In this example, the user is required to renew an Advanced License and the button appears as:

Figure RNW-REM-03: Renewal Button Reminder

Click the red **Renew** button.

User is directed to the **Renewal Application** page.

The **Renewal Application** page is comprised of three sections:

- [Instructions](#)
- [Clock Hours](#) or [National/Professional Certificate](#)
- [Criminal Affirmation](#)

These renewal sections are described in detail in the individual sections of this user guide.

Instructions

The **Instructions** section is at the top of the **Renewal Application** page and details the requirements for renewal. The requirements will be based on the license or permit type that is being renewed.

Figure RNW-APP-01: Renewal Application Instructions Section

Read the **Instructions** carefully to ensure that the requirements are met before proceeding with the **Renewal Application**.

Clock Hours

If **Clock Hours** are required to be entered as part of the renewal application process, then the **Clock Hours** section will appear directly below the **Instructions** section.

As a general rule, educators are encouraged to keep their clock hours current in the DEEDS system throughout the term of their license or permit. In this way the educator's data is always up to date and everything is complete and ready to go at renewal application time.

If no **Clock Hours** data has been added to the system, then the **Clock Hours** table will be blank and a warning of **No record found** will be displayed in a red banner across the top of the section as shown below.

Figure RNW-CLK-01: Renewal Application Clock Hours Section – Empty Table

If **Clock Hours** data has been added to the system by the Educator, the information will appear in the **Clock Hours** table as shown below.

Figure RNW-CLK-02: Renewal Application Clock Hours Section –Populated Table

One of the most important things to note is the date range for valid clock hours. Clock hours need to be earned within the terms of the license or permit. In the example above, note the date range displayed in parentheses after the text ***Clock hours should be earned within the term of your license:***. This is the period of time that the clock hours needed to be accrued. If clock hours are either before or after these dates, then they are not considered valid for the renewal application.

The summation of clock hours is shown above the table in four categories: ***Verified Total Hours, UnVerified Total Hours, Total Hours*** and ***Accepted Hours***.

If enough valid clock hours have already been entered into the system, then there is no need to add additional data. Click the ***Save & Next*** button to continue. Jump ahead to [Criminal Affirmation](#) section. If there are not enough clock hours logged to satisfy the renewal requirements, then follow the next steps to add clock hours.

Add Clock Hours

Click the ***Add Clock Hours*** button.

Figure RNW-CLK-03: Renewal Application Add Clock Hours Form

Clock Hours entry form is presented for entering clock hours related to the renewal application request. The top section is for entering information related to identification of the clock hours earned and the bottom section is for uploading supporting documentation.

Complete the required ***Clock Hours*** entry fields in the top section. The required fields are designated with a red * and include: ***Category/Option, Title/Description, Begin Date, Complete Date*** and ***Hours***. A dropdown list is provided for ***Category/Option***, offering valid predefined options from which to choose. ***Begin Date*** and ***Completed Date*** need to be entered in ***MM/DD/YYYY*** format.

The next requirement is to provide proof of clock hours in the form of a pdf or image document. This can be done by uploading a new document or associating a document that has already been uploaded to the system. Please ensure that the documentation reflects clock hours earned within the terms of the license or permit. Select ***Clock Hours*** from the ***Document Type*** dropdown list.

There may be instances where the clock hours document has already been uploaded to the system. If a document has already been uploaded, then there is no reason to upload it again. In this case, the proper action is to ***Associate*** the document, meaning that the pre-loaded document will be used.

To Associate a document, click the **Associate Existing Documents** button. An **Associate Documents** popup window is displayed for selection of the **Clock Hours** document to be associated. The documents shown are those that have been added to the system for the educator. Select the document by clicking inside the checkbox associated with the desired entry. A check will appear in the checkbox to indicate that the document is selected. Click the **Select Documents to Associate** button to save the information or the **Cancel** button to exit the operation without saving data. If necessary, refer to the [Associate Document](#) section for a detailed description of the how to associate a document.

If the clock hours document has not been associated, then follow the next steps to upload the document as proof of clock hours for the renewal application.

Select the file to be uploaded in one of two ways:

- Drag the file from your computer to the middle of the area designated with the text: **Drop file here to upload or click here to browse and select file to upload.**
- Click inside the area designated with the text: **Drop file here to upload or click here to browse and select file to upload.**
 - File Explorer is opened to allow document to be selected from computer files.
 - Select the desired file and Click **Open**.

File name is displayed along with a trash bin icon on the right. If the file selected is not the correct file, click on the trash icon bin to delete it.

Click **Save** button to upload document and save **Clock Hours** data.

New **Clock Hours** information entered is displayed in the table at the bottom of the **Clock Hours** section.

Category/Status	What/Description	Begin Date	Completed Date	Hours	Verification	Status	Documents	Actions
Professional Certificate/Professionalism	Early Childhood Teachers Conference	8/23/2019	8/23/2019	12.00	Not Verified	Missing	• Clock Hours

If the information is incorrect or incomplete, click the pencil icon in the **Actions** column to edit the information, as appropriate.

Continue to [Add Clock Hours](#) until the clock hours requirement for the renewal application has been satisfied.

Click the **Save & Next** button.

National/Professional Certificate

If a National/Professional Certificate is required to be uploaded as part of the renewal application process, then the **National/Professional Certificate** section will appear directly below the **Instructions** section. If there is no National/Professional Certificate section shown, then jump ahead to the [Criminal Affirmation](#) section.

Figure RNW-NPC-01: Renewal Application National/Professional Certificate Section

The **National/Professional Certificate** section is provided to allow the educator to enter and upload National/Professional certification documentation that is required for some renewal applications.

Add National/Professional Certificate

Click the **Add Nat./Pro. Certificate** button.

Figure RNW-NPC-02: Renewal Application Add National/Professional Certificate Form

National/Professional Certificate entry form is presented for entering certification related information specific to the renewal application request. The top section is for entering information related to national or professional certification and the bottom section is for uploading supporting documentation.

Complete the required fields in the top section. The required fields are designated with a red * and include: **Type**, **State**, **Effective Date** and **Expiration Date**. Dropdown lists are provided for **Content Area** and **State**, offering valid options from which to choose. The **Type** field is pre-populated with the correct certificate type based on the license or permit being renewed, and is a read-only field. Note also that the **Type** field is gray in color to indicate that it has been disabled.

The next requirement is to provide proof of national or professional certification in the form of a pdf or image document. This can be done by uploading a new document or associating a document that has already been uploaded to the system. Please ensure that the certification is current and valid prior to adding new information or associating exiting documents.

There may be instances where the certification document has already been uploaded to the system. If a document has already been uploaded, then there is no reason to upload it again. In this case, the proper action is to **Associate** the document, meaning that the pre-loaded document will be used.

To Associate a document, click the **Associate Existing Documents** button. An **Associate Documents** popup window is displayed for selection of the **National/Professional Certificate** document to be associated. The documents shown are those that have been added to the system for the educator. Select the document by clicking inside the checkbox associated with the desired entry. A check will

appear in the checkbox to indicate that the document is selected. Click the **Select Documents to Associate** button to save the information or the **Cancel** button to exit the operation without saving data. If necessary, refer to the [Associate Document](#) section for a detailed description of the how to associate a document.

If the National/Professional Certificate has not been associated, then follow the next steps to upload the document as proof of national certification for the renewal application.

Select the file to be uploaded in one of two ways:

- Drag the file from your computer to the middle of the area designated with the text: **Drop file here to upload or click here to browse and select file to upload.**
- Click inside the area designated with the text: **Drop file here to upload or click here to browse and select file to upload.**
 - File Explorer is opened to allow document to be selected from computer files.
 - Select the desired file and Click **Open**.

File name is displayed along with a trash bin icon on the right. If the file selected is not the correct file, click on the trash icon bin to delete it.

Click the **Save** button to save the new **National/Professional Certificate** data or click the **Cancel** button to dismiss any changes. Either option will exit edit mode. Validation is performed with the **Save** operation to ensure that all required fields have been populated. If data is not entered for required fields, then an error is displayed in a red banner at the top of the section. The error can be dismissed by clicking the x in the upper right-hand corner of the banner.

If data is saved, then the newly entered certification information is displayed in the table at the bottom of the **National/ Professional Certificate** section.

If the information is incorrect or incomplete, click the pencil icon in the **Actions** column to edit the information, as appropriate.

Criminal Affirmation

The last part of the renewal application process is the criminal affirmation. If the **Criminal Affirmation** section is not visible, scroll down to see the section in its entirety.

Criminal Affirmation

Criminal Affirmation Instructions

- Answer the **Criminal Affirmation** question by selecting either the **Yes** or **No** radio button.
- Read the **Affirmation Affidavit** carefully to ensure that you are aware of what you are signing. The electronic signature, which is legally binding, signifies that the Educator acknowledges and affirms the affidavit, which is made under penalty of perjury.
- Click the **Consent to electronic signature** checkbox.
- Sign the affirmation by typing your name in the **Signature** field. This electronic signature is legally binding.
- Click **Save & Next** to continue.

Application Submission

After all the renewal sections have been completed and the **Criminal Affirmation** question has been answered and signed, the renewal application is ready for submission.

You can monitor the status of your application by clicking **View My Applications** button on the **Educator Dashboard**. The **View My Applications** page will be used as the communication channel going forward.

Click **Submit Application** to complete the application process.

Confirmation of the application submission is presented along with additional information:

Figure RNW-APS-01: Renewal Application Submission Confirmation

In addition to the on-screen confirmation, an email is sent to the user. Go to your email provider mailbox and find the email sent from deeds@doe.k12.de.us containing information regarding the renewal application.

Click **Back To Dashboard** button.

Application Tracker

User is directed to the **View My Applications** page. The new **Renewal** application is shown:

Figure RNW-APT-01: Renewal Application Tracker – Application Pending

Note that the **Application** banner is green to signify that this step has been completed and the status appears as **Completed**. The **Intake** banner is yellow to signify that this step is in progress and the status appears as **In Progress**. From this point forward, status can be monitored via the **View My Applications** button on the **Educator Dashboard**. The Application Tracker is comprised of five banners: **Application**, **Intake**, **Quality Review**, **Analyst Review**, and **Finalize**. These banners are used to represent the various stages that an application may go through. Not all application types will be required to go through each of the stages, but all of the banners will always be present for completeness. It is important to note that the progression will always move from left to right and will never move backwards. The Paraeducator Permit Application progress can be monitored through this tab.

The **View My Applications** tab will show the last three (3) applications that have been submitted. In the event that there are more than three, click the **More** button to see more applications.

To the right of the Application Tracker are the details of the **Renewal** application submitted in the previous steps. The type of **Renewal** is displayed in the **Application Type** column along with the **Submitted Date**. A **View Application** link is provided in the **View PDF** column, allowing the user to view

and print a pdf version of the application details that were submitted. Although this is not necessary, it can be useful for reference. Additionally, a **Withdraw** button is provided so that the application can be withdrawn at any time.

Click the **Home** button to move back to the **Educator Dashboard** home page.

View Credentials

From the **Educator Dashboard**, click the **View My Credentials** button on the right.

For **License Renewals**, scroll down to the **K-12 Licenses** section. There will be a new entry with a status of **Pending Approval**. The example below is specific to an **Advanced License** renewal.

Credential Definition	Credential No.	First Issuance Date	Effective Date	Expiration Date	PK Date	Credential Status
Advanced License	234717	09/12/2016	09/12/2021	09/12/2026		Pending Approval

Note that the current **Advanced License** shows a status of **Issued** with the associated **Expiration Date** and the new **Advanced License** renewal entry directly above shows an **Expiration Date** five (5) years out.

For **Permit Renewals**, scroll down to the **Paraeducator Permits** or **Other Permits** section. There will be a new entry with a status of **Pending Approval**. The example below is specific to an **Paraeducator Permit** renewal.

Paraeducator Permits

Credential Definition	Credential No.	First Issuance Date	Effective Date	Expiration Date	Credential Status
Permit	234712	09/12/2016	09/12/2021	09/12/2026	Pending Approval

Figure RNW-VMC-02: Renewal View My Credentials – Permit Application Pending

Once the **Renewal** application has been submitted, the application is directed to the appropriate team for review and approval. For Paraeducator Permits, Adult Education Permits, Interpreter Tutor and Continuing License renewals, if the educator is employed, then the applications are directed to their District or Charter Office for initial review and approval. After the District or Charter Office has approved the renewal, the application is directed to the DDOE Licensure & Certification (L&C) team for final review and approval. For all other renewals, the application is directed to the DDOE Licensure & Certification (L&C) team for review and approval. The renewal application will be reviewed and verified against the requirements of the credential being renewed.

From this point forward, all communication is done through this **View My Applications** page on the **Educator Dashboard**. The Educator can monitor status and respond to deficiencies, as raised by the DDOE L&C team.

Deficiencies

When the **Renewal** application is reviewed by the DDOE L&C team, there may be deficiencies identified that need to be resolved. The important thing is to respond to these deficiencies as quickly and completely as possible. When a deficiency is raised, the Educator will be informed in three ways:

- An email will be sent to the Educator primary email address to notify that there is a deficiency in the application that needs to be resolved. Go to your email provider mailbox and find the email sent from deeds@doe.k12.de.us with the Subject **DDOE – Deficiencies in Application**.
- A **Respond to Deficiency** button appears on the **Educator Dashboard** home page.
- A Deficiency is listed on the **View My Applications** page of the **Educator Dashboard**.

On the **Educator Dashboard**, there is a new red **Respond to Deficiency** button that appears on the right side of the page under the menu options. This **Respond to Deficiency** button is an immediate indicator that a deficiency has been raised and action is required by the Educator in order to move forward with the application process.

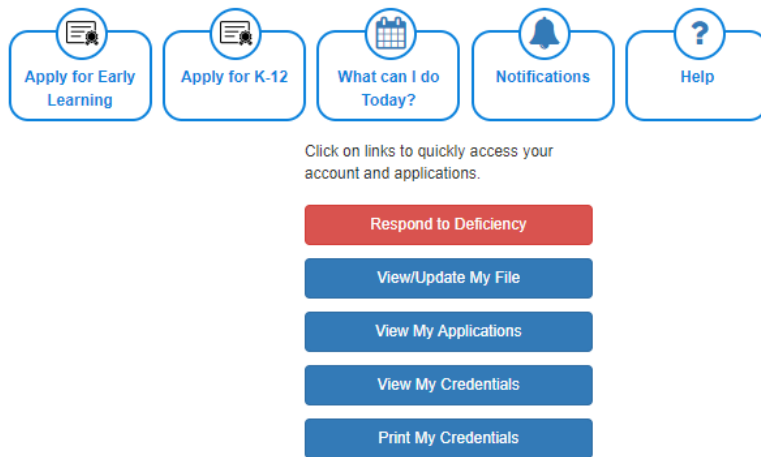

Figure RNW-DEF-01: Renewal Dashboard Respond to Deficiency Button

Click **Respond to Deficiency** button or Click **View My Applications** button, as either choice will direct the user to the **View My Applications** page.

Figure RNW-DEF-02: Renewal Application Tracker with Deficiency Raised

Note that the color of the **Intake** banner has changed to red and the status has changed to **Deficient**. Additionally, there is an **Action Required** stamp below the Application Tracker as an alert that action is required. Refer to the **Deficiency Details** table below the Application Tracker for details regarding the deficiency raised. A brief description of the deficiency is listed in the **Deficiency Name** column and a brief description of the required action is listed in the **Notes** column. The date that the deficiency was raised is shown in the **Date** column. Read the **Notes** to determine how to fix the problem and ensure

that the required action can be achieved at the current time. The user will need to supply additional information and/or evidence specific to the issue raised within the deficiency.

Click the **Respond to Deficiency** button.

Educator is directed to the **Renewal Application** page and the deficiency is listed in the section where the deficiency has been raised. In most cases, the deficiency will be raised in the **Clock Hours** section, which is used for this example.

The Advance License entry has been updated and the Expiration Date is extended five (5) years from the previous Expiration Date. The Advanced License will need to be renewed again in five (5) years using the same process as outlined in this user guide. Refer to the [Renewal Requirements](#) Section for specific renewal requirements for other licenses and permit.

Congratulations! The renewal process has been completed successfully.

Print Certificate

Once the license or permit has been renewed, a certificate can be printed. From the **Educator Dashboard**, click either the **Print My Credentials** button or the **View My Credentials** button on the right side of the page. Either option will direct you to the **Credentials** tab of the educator data. At the top of the page is a **Print and Download Credentials** section:

A wall certificate of the **Initial License**, suitable for framing, has been downloaded to the educator computer.

During the credential selection process described above, a number appeared in the **Select a License** dropdown list next to the license name, in this example: **Initial License – 234729**.

This number associated with the license is the identification number of the credential issued to the educator. Note that the **K-12 Licenses** table on the **View My Credentials** page lists **234729** in the **Credential No** column, which corresponds with the credential selected for printing.

General Instructions

This section contains detailed instructions for functionality that is shared across screens. The individual application data sections contain high-level descriptions of the operations, but here the instructions are provided in more details, including screen shots, if applicable.

Associate Document

When a document needs to be provided, the document can either be uploaded or associated. There may be instances where documents have already been uploaded to the system for the educator. If a

document has already been uploaded, then there is no reason to upload it again. In this case, the proper action is to **Associate** the document, meaning that the pre-loaded document will be used. To Associate a document, click the **Associate Existing Documents** button.

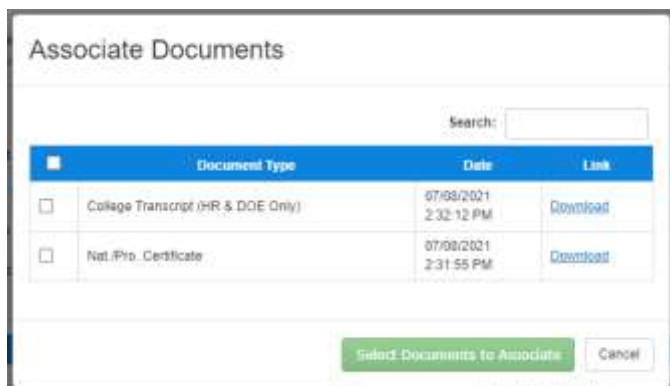

Figure RNW-GAD-01: Associate Document Window

An **Associate Documents** popup window is displayed for selection of the document to be associated. The documents shown are those that have been added to the system for the educator. Note that the **Select Documents to Associate** button is disabled because nothing has been selected.

Select the document by clicking inside the checkbox associated with the desired entry. A check will appear in the checkbox to indicate that the document is selected. The field acts as a toggle and will check and uncheck each time it is clicked. As soon as a document is selected, the **Select Documents to Associate** button is enabled. If the desired document does not appear in the table of documents, simply click the **Cancel** button to dismiss the **Associate Documents** window and follow steps to [Upload Document](#).

Click the **Select Documents to Associate** button to save the information or the **Cancel** button to exit the operation without saving data. Either will dismiss the **Associate Documents** popup window. If the **Select Documents to Associate** button is selected, then the document appears in the document upload area.

Upload Document

When a document needs to be provided, the document can either be uploaded or associated. If the document has already been loaded in DEEDS, then the correct action is to associate the document. If the

document has not been loaded in DEEDS, then the document is uploaded. The following steps outline the way to upload a document.

Select the file to be uploaded in one of two ways:

- Drag the file from your computer to the middle of the area designated with the text: ***Drop file here to upload or click here to browse and select file to upload.***
- Click inside the area designated with the text: ***Drop file here to upload or click here to browse and select file to upload.***
 - File Explorer is opened to allow document to be selected from computer files.
 - Select the desired file and Click ***Open.***
