

# SEBW Plan Monthly Newsletter

## OCTOBER 2021

**This monthly newsletter provides updates on the Social Emotional and Behavioral Wellbeing (SEBW) Plan. Information and opportunities are for educators and all school staff, school and district teams, as well as school communities.**

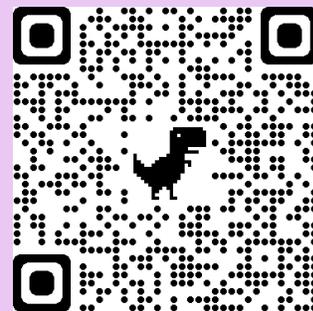

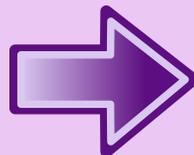

### ***What is the Social Emotional and Behavioral Wellbeing Plan?***

The SEBW plan has 2 primary strategies:

1. Provide an array of available SEB resources and supports with multiple entry points.
2. Promote strategies to guide districts/schools to identify their strengths and needs and implement evidence based practices.

# Mental Health First Aid

## Purpose

Youth Mental Health First Aid helps you assist a youth experiencing a mental health or substance use-related crisis. In the Mental Health First Aid course, you learn risk factors and warning signs for mental health and addiction concerns, strategies for how to help someone in both crisis and non-crisis situations, and where to turn for help.

## Topics Covered

- Depression and mood disorders
- Anxiety disorders
- Trauma
- Psychosis
- Substance Use disorders

Youth Mental Health First Aid teaches about *recovery* and *resiliency* – the belief that individuals experiencing these challenges can and do get better, and use their strengths to stay well.

### MTSS Exploration, Installation, and Implementation Professional Learning Opportunities

#### **Universal Screening Webinar: Top Ten Questions Answered**

In this webinar, Niki Kendall answers the 10 frequently asked questions about universal screening. After viewing this webinar, you will understand how to use screening data to inform your MTSS including; characteristics of effective screeners, the differences/similarities between academic and social emotional tools, who and how often to screen, and strategies for problem solving with resulting data. Register for **PDMS Course #29663**. (DDOE contact: Nicole Kendall, DE-PBS Project)

#### **PBS SEL & SWPBIS Integration Module**

The SEL & SWPBIS Integration Module focuses on integrating the Social and Emotional Learning (SEL) approach and the School-wide Positive Behavioral Interventions and Supports (SWPBIS) approach. This module reviews the SEL and SWPBIS approaches, provides a rationale for integrating and aligning the two approaches, and provides practical strategies to support integration in schools. The purpose of this module is to help school professionals deepen their understanding of these approaches, how they are complementary to one another, and how they can be integrated effectively to enhance student learning and development. **Register for PDMS course #29050**. (DOE contact: Rebecca Silver, DE-PBS Project)

#### **Function-based Behavior Support Webinar**

Educators who want to learn more about using a function-based approach to address concerning behavior are invited to register for a *two-part webinar series* to be held from 5-7 p.m. on *Wednesday, Oct. 27 and Tuesday, Nov. 9*. FBA to BIP focuses on how function-based thinking can support student behavior. Participants will apply the basics of applied behavior analysis to address concerning behavior, understand the steps to complete a functional behavior assessment (FBA) and recognize the critical components of function-based behavior intervention plans (BIPS). It is strongly recommended participants attend both sessions. Register for **PDMS course #30152**. (DDOE contact: Nicole Kendall, DE-PBS Project)

### **Building Habits of Effective Classroom Practice**

Supports classroom teachers through building habits of effective classroom practice; focus on three highly effective practices to start in your face-to-face, hybrid, or virtual classroom right away. Register for **PDMS Course # 29421**. (DDOE contact: Nicole Kendall, DE-PBS Project)

### **Tier 2 - Check In/Check Out**

The Delaware Positive Behavior Support (DE-PBS) Project is hosting an asynchronous, virtual professional learning opportunity on best practices for implementing the evidence-based Tier 2 intervention called Check-In/Check-Out (CICO). This 60-minute recording provides an overview of effective Tier 2 systems for social and emotional learning (SEL), behavior and CICO, specifically. Additionally, the session outlines important implementation considerations and tools for Tier 2 teams and CICO coordinators. Accompanying the recording are links to implementation manuals, sample resources and templates. Register for **PDMS course #30025** or access the DE-PBS website (Contact: Megan Pell at [mpell@udel.edu](mailto:mpell@udel.edu)).

### **Trauma-Informed Schools Practices and SEL Webinar**
