

District Leadership Toolkit

The state of Delaware in collaboration with CASEL has created the District Leadership Toolkit to assist districts in implementation of effective and integrated social-emotional practices and policies. This includes organizational resources for foundational support and planning and implementation tools for adult and student social-emotional learning (SEL). Additional resources are included to improve and reflect upon current SEL practices.

[CASEL SEL Implementation Tools and Resources](#)

1) **Organization - Foundational Support and Planning**

Resource	Description	Link
Delaware DOE MTSS Implementation Guide (<i>Delaware State Department of Education</i>)	This guide will assist district, charter, and school teams as they plan for and implement the DE-MTSS framework	Delaware Multi-Tiered System of Support
