

Essential Elements of Delaware's IEP / Transition Plan (beginning at age 14 / grade 8)

developed by Dr. George Tilson, TransCen, Inc. for DE DOE

* Must be current and align with other components and should focus on strengths, interests, and post secondary preferences.

† Will become more specific each year closer to graduation or school exit year.

Δ May include: types of instruction; related services; community experience; development of employment & other post-secondary living objectives, and if appropriate daily living skills & functional vocational evaluation.
