Myers-Briggs Type Indicators.						
Occupational Outlook Handbook (OOH), 2008-09 <i>The Occupational Outlook Handbook</i> is a nationally recognized source of career information, designed to provide valuable assistance to individuals making decisions about their future work lives. The <i>Handbook</i> is revised every two years.	X	X		All	X	http://www.bls.gov/oco/
Knowledge Management Center TRANSFERABLE SKILLS SURVEY As you begin your job search, it is important that you know your own qualifications. Over the years you have developed many skills from coursework, extracurricular activities and your total life experiences. If you've researched topics and written, edited and presented papers for classes, you've used skills which are not limited to any one academic discipline or knowledge area but are transferable to many occupations.	X			GR 9+	X	http://www.d.umn.edu/kmc/career_transfer_survey.html
The ASVAB Career and Exploration Program (Sample) This program is designed to help students learn more about themselves and the world of work, identify and explore potentially satisfying occupations, and develop an effective strategy to realize their goals.	X	X		GR 9+	X	http://www.asvabprogram.com/
Motivational Appraisal of Personal Potential MAPP is a personal assessment that takes 15 minutes to complete. MAPP identifies your true motivations toward work and allows you to match yourself to job categories to see where you best fit.	X			Age 13+	X	http://www.assessment.com/
