

1.8 Start-up and Operations

14 *Del. C. §§ 512(1), (8)-(10), and (12)-(13)*

9. Student Records. Describe the plan for the timely transfer of student and school data... will implement procedures that comply with the Family Education Rights and Privacy Act (FERPA) and implement federal and DDOE regulations regarding disclosure of student records. LTA will use the state's eSchoolPLUS pupil accounting system. The use of this system will ensure timely transfer of student data and records to other school and to the Delaware DDOE. Professional development describes how all staff members will be trained to use the mandatory eSchoolPlus system as part of their mandatory duties.
