Thank you very much.

As soon as possible, we hope to receive the complete report, which we understand to be several hundred pages long. We also hope to receive copies of all memoranda that were produced by Auphsite during the forensic review process.

We would also ask that you submit copies of all information directly to the State Auditor's Office.

Over the next few days, I would ask that you keep me in the loop about any board meetings or actions, and let me know immediately about any changes to board membership or staffing, so that I can share the information with others as necessary.

Alan, thank you for this information.

We noted that pages 6 and 7 were omitted from the report. May we have a complete version of the report?
