To: Respondents to Leadership Training RFP
DOE RFP 2011-04

Thank you for the work you performed to develop your response to our Leadership Training RFP. At this time we will not be moving to a Contract Negotiation Phase with any of the vendors who submitted responses to our recent RFP. We will develop a new team to re-evaluate our needs in the area of Leadership Training and at some time in the near future may post a new RFP for these services.

Sincerely,

Jim Palmer
