Mediational Questions

Mediational questions help the colleague:

- HYPOTHESIZE what might happen
- ANALYZE what worked or didn’t
- IMAGINE possibilities
- COMPARE & CONTRAST what was planned with what ensued

Some meditational question stems include:

- What’s another way you might...?
- What would it look like if...?
- What do you think would happen if...?
- How was...different from (like)...?
- What’s another way you might...?
- What sort of an impact do you think...?
- What criteria do you use to...?
- When have you done something like...before?
- What do you think...?
- How did you decide...(come to that conclusion?)
- What might you see happening in your classroom if...?
