**Exemplary Programs**

At Academia Antonia Alonso, we are driven by our mission to inspire children to become joyful, confident, creative, bilingual learners, by providing our students with a strong biliterate academic and cultural foundation.

Academia Antonia Alonso's core philosophy is to create a school where students investigate who they are and what role they play in a diverse society. Our students are encouraged to become strong community leaders, as well as advocates on local, national, and global stages. Our academic program provides students with a sense of community and global awareness, as well as 21st century skills. The academic program is a replication of the nationally recognized Expeditionary Learning model combined with the Two-Way Dual Language Immersion model. Expeditionary Learning's integrated instructional emphasis of learning by doing supports students' instructional and language acquisition needs.
