Curriculum Highlights

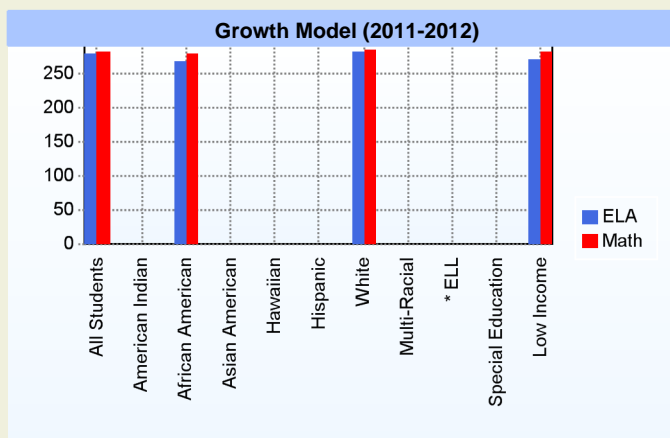

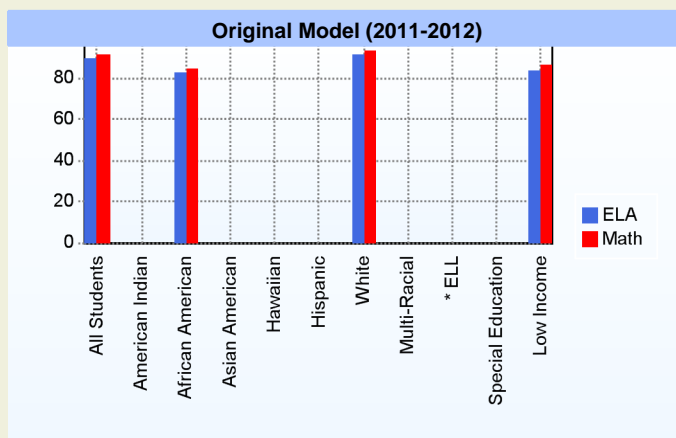

Recognized as a STEM-focused Career and Technical Education School by the National Academies Press in their 2011 publication entitled Successful K-12 STEM Education: Identifying Effective Approaches in Science, Technology, Engineering and Mathematics. Sussex Tech's educational philosophy focuses on TEHADEMIC Education. TEHADEMIC Education is the integration of rigorous technical, career and academic knowledge and skills throughout the curriculum. Sussex Tech provides a unique, focused and rigorous educational program for each student. Student learning and engagement are motivated by students selecting one of the 15 career-technical majors, that best aligns with their interests and future goals, as their program of study. Students complete a structured program of study, which includes a sequence of career-technical and academic courses that prepare them for postsecondary employment, education and further training opportunities.
