Exemplary Programs

Positive Behavior Support:

At Lake Forest East Elementary School students who have been consistently Respectful, Responsible and Safe are recognized each semester and celebrate in our schoolwide Positive Behavior Support semester celebrations.

After School Tutoring Program:

East Elementary has an extensive after-school tutoring program to service students who need additional help with reading and math in grades 2 and 3.

Accelerated Reader:

This reading program is utilized school wide. Students choose any book within their individual instructional reading level and then test on that book. Students are given goals each semester on how many books to read and how many tests to take. Their goals are individualized and aligned with their instructional reading level. Celebrations are held each semester for students that reach their goal.

Exemplary Programs

The Lake Forest School District Intensive Learning Center (ILC) is a specialized program of services provided for students whose social and emotional issues impede their learning in the traditional school setting. Special education teachers, curriculum level teachers, the school psychologist, the behavior specialist, school counselor and paraprofessionals collaborate to support students' unique behavioral and social needs as they progress through the school curriculum. Social skills groups and activities are paired with a highly structured environment so that students may achieve individual academic success. As they progress, students are provided varied and increased opportunities in a lesser restrictive setting.

Exemplary Programs

The administration and staff at Lake Forest North Elementary are committed to providing a balanced instructional program for students. The acceleration program was created to provide stimulating, intellectual opportunities for academically gifted students in second and third grade. The special needs of these students are met so that each identified child may reach his or her educational potential. The program provides a balance of rigor, technology and creativity in each content area. In addition, the program promotes articulation among community, school and home.

Curriculum Highlights

Every year Lake Forest North hosts "Literacy/Math Night" in the spring. It is the culmination of the various Curriculum Nights that are held throughout the year. The topics are selected based on student needs and interest. Over 500 students, parents and community members attend this event annually. The stakeholders are given the opportunity to see Lake Forest North's Literacy program, Math program and student work. The PTO and various agencies provide informational booths. Parents are given the opportunity to become more aware of the various agencies in the community that assist with student growth and development.

Exemplary Programs

Welcome to Lake Forest South Elementary where we believe everyone who learns, plays, and grows with us is "On track for success!"

We have a designated building-wide instructional time that provides our students with differentiated instruction in both math and reading in a small group setting which is known as "On track for success" time. This allows us to work with our students who are above, on, and below grade level. Our goal is to meet our students at their level and help them grow to reach their potential. We believe our Lake Forest South family will meet the essential needs of all learners by working together as a respectful community.

Curriculum Highlights

Lake Forest South is committed to student success by working with a variety of research-based resources to help our students achieve the Common Core Standards.

Our school has been awarded a grant from the United States Department of Agriculture (USDA) to teach students about the importance of good nutrition and establishing healthy eating habits. Through the grant, we are able to provide our school community with the opportunity to taste a variety of fruits and vegetables.

Lake Forest South Elementary is a "School that Moves." We have joined the Nemours Foundation to support healthy lifestyles and work toward becoming Healthy Spartans by making a commitment to move a minimum of 150 minutes per week.

Exemplary Programs

During the 12-13 school year, W. T. Chipman students performed above state targets in the areas of mathematics and ELA. WTC had 82% in Reading and 83% in Mathematics make Proficiency in accordance to the Delaware Accountability System. Our students outscored the overall state average in the DCAS assessment in all 3 grade levels and each Sub-group! By offering daily Curriculum Support classes to our students, Chipman has established a master schedule that addressed the needs of all students.

Our student-athletes displayed great sportsmanship and competed at a high level in all of our athletic offerings. We offer over 14 sporting programs for our students to chose from each year.

We were recognized as a leader in innovation from the Vision Network for the work our staff and students are doing with Student Growth Mindset, Instructional Feedback, and Instructional Practices. We had over 14 different schools across the state visit our school to take ideas back for implementation

Curriculum Highlights

Learning Focused Strategies is a staple for instructional design at Chipman Middle. The staff at W.T. Chipman has embraced LFS and developed units of study centered on the strategies from Learning-Focused. This year, Chipman Staff will be revamping units of study in preparations for the Smarter Balance Assessments and the Common Core State Standards.

WTC is continuing the "Meet the Challenge" program. The MTC program is focused making students more successful on identified standards of weakness. Teachers from all core academic areas have developed activities and assessments to prepare our students.

Chipman will continue to offer the 8th grade Algebra class as well as a Geometry class in the area of mathematics; students take the same mid-term and final as LFHS Algebra class which earns them high school credit. In the area of English/Language Arts, we will offer English 9 to our advanced learners as we prepare our students for early college credits at Lake High School.

Exemplary Programs

The Lake Forest School District has recently completed extensive renovations and additions to its schools, particularly at Lake Forest High School. At the High School, additions were made to the Gymnasium area include a state of the art Strength and Conditioning Center, Auxiliary gymnasium dedicated to Wrestling, Cheerleading, and Volleyball, a fully equipped Cardio room and Physical Education classroom. New additions were also made to the auditorium for the Band and Chorus programs. Complete renovations of the Art classroom, Family and Consumer Science classroom and kitchen, Computer Aided-Design classroom, Technology Education classroom and shop, and 10 additional classrooms were also undertaken. Taken as a whole, these renovations will ensure that the physical health of students is addressed. Student exposure to, and appreciation for the arts will be enhanced. The foundation of our student's success will guarantee their preparation for 21st century academic demands.

Curriculum Highlights

All schools in the Lake Forest School District have embraced the use of Learning-Focused Strategies™ as the guiding classroom curricular organization tool. Alignment to the Delaware State Standards is assured through the creation of instructional units in all academic areas. Lake Forest High School has implemented a strategic school-wide effort to use Learning-Focused Strategies to improve instruction in the critical thinking skills of reasoning, interpreting, making connections, and extending meaning. Our purpose is to show measurable individual student growth as indicated by improved scores on national, state, and local curriculum-based assessments and indicators.

Exemplary Programs

STEM: Elementary students are introduced to the STEM pathway through our related arts programming. This includes hands-on opportunities to explore science / technology / engineering and math. This additionally includes the opportunity to explore creative problem solving strategies.

BAND: Lake Forest Central Elementary School's fifth grade beginning band provides the opportunity for many young musicians to explore a variety of musical instruments and perform throughout the school year.

CHORUS: Under the guidance of Delaware Teacher of the Year Mark Teesdale, Lake Forest Central Elementary School's chorus provides fourth and fifth grade students the opportunity to develop their talents in voice and performance.

DRAMA: Lake Forest Central Elementary School students are encouraged to participate in the after school drama program where they have the opportunity to create a dramatic production for our greater school community.

Curriculum Highlights

We are the Central Stars Shooting for Success!

In order to help our students meet success, we have adopted the National Common Core Standards in the areas of language arts and mathematics and we use Learning Focused Strategies (LFS) to help guide our instructional processes. In compliance with Response to Intervention (RTI), we have a designated building-wide "Telescope Time" where our students receive targeted instruction in both reading and mathematics. We are committed to ensuring our students unique learning needs are met and they are given every opportunity to shine!
