Exemplary Programs

Early College High School at Delaware State University is a STEM-focused high school that increases access to higher education and produces students who have the expectations and skills to make a significant impact in the global community. The mission is to provide highly motivated students with a curriculum concentrating on science, technology, engineering and mathematics that is integrated with the relevant curriculum at Delaware State University such that all students graduate with one to two years of college credits and are in a favorable position to graduate from college. The school shall provide a safe, caring and nurturing environment that develops students' academic, social skills and personal character traits necessary for successful college completion, with a special focus on high school students who will be the first generation in their families to become college educated. Each child will have a personalized learning plan to help them be successful in this program.
